

Joseph & Joseph CPAs, Inc.

Certified Public Accountants and Business Consultants

William E. Joseph, CPA, CFP®

Partner

Bill has been providing tax and financial statement services for over fifteen years, specializing in the Service, Medical, Not-For-Profit, Real Estate, Manufacturing and Retail industries. His ability to have the perspectives of both a CPA and a Certified Financial Planner allows Bill to take a more holistic look at an individual's overall financial picture.

Gloria N. Joseph, CPA

Partner

With her extensive financial statement experience, Gloria has served clients in the Homebuilding, Not-For-Profit, Manufacturing, Medical, and Financial industries for over fifteen years. Her experience includes working with both privately held and publicly traded companies.

Personalized Client Service

Bill and Gloria built their practice on the foundation of developing long-term relationships with clients and feel strongly that those relationships are the cornerstone of their business. Joseph & Joseph CPAs, Inc. was established to provide complete tax and accounting solutions to individuals and businesses by offering a full range of services including:

Tax Planning and Preparation

Tax planning and preparation form a winning combination for successful individual and business clients. Whether a client is an individual or a multi-tiered partnership, Joseph & Joseph can develop tax strategies that take advantage of new laws and legislation.

Business Entity Selection

Choosing the form of entity for a business (e.g. "S" corporation, sole proprietor, limited liability company, etc.) is a crucial decision that can have long-standing tax implications. Bill and Gloria can assist in evaluating the pros and cons of each entity type to help in determining which the most advantageous form of business is for an individual or organization.

Accounting Services

Providing financial information to their clients in a timely and accurate manner is a commitment that Joseph & Joseph feels can not be compromised. Meaningful, well-organized financial records ensure that a client's business operations will run more efficiently on a daily basis.

Financial Statements

Bill and Gloria view their role in the financial reporting process as an opportunity to provide constructive solutions for maximizing a company's profitability and efficiency. Joseph & Joseph provides assistance reporting based on your needs.
