Step 3 : Click the “Continue” button and check the “Agree” box

The screenshot shows the FSC Securities Corporation Online Registration interface. At the top is the FSC logo. Below it is a progress bar with six steps: 1. Welcome, 2. Terms & Conditions (highlighted), 3. Profile Information, 4. Identity Verification, 5. User ID & Password, and 6. Confirmation. The main content area is titled "Terms & Conditions" and contains the following text:

Read and agree to the terms and conditions of the Identity Verification Agreement before proceeding.

Identity Verification Agreement

You must have a Social Security number to register on this site. If you do not have a Social Security number, please contact your financial organization for assistance.

In addition, you must register using an account for which your Social Security number is primary on the account. For example, you cannot register using a joint account if you are not listed as the primary account holder.

When registering on this site, you will be asked a series of multiple-choice questions. The questions have been developed by a third-party vendor based on information obtained from public databases. Your answers are compared by the vendor to the information available from these sources.

You may be asked questions about yourself, people you know or were once associated with, places you have lived or worked, and the like. The information used in these questions is not related in any way to the information on the specific account(s) held at your financial organization.

We strongly encourage you to review the [Frequently Asked Questions](#) about online registration, which provide greater detail about the identity verification process.

Successful online registration will provide immediate access to your accounts. At this time, accounts without a Social Security number are not eligible for online registration. In addition, if your Social Security number is not recognized as being associated with the account number you enter into the system, your online registration will be unsuccessful.

To continue with online registration, please click I Agree below.

If you are ineligible for online registration, or you do not want to complete the registration process online, click Cancel below and contact your financial organization to register.

By accepting this Agreement, you affirm that you are at least 18 years of age.

At the bottom of the page, there is a checkbox labeled "I Agree" which is checked and highlighted with a red box. To its right are two buttons: "Continue" (highlighted with a red box) and "Cancel".
